

PROPEL Program

A leadership training program for advanced degree candidates (ADCs)

Are you a current grad student or post-doc looking for:

- An exciting opportunity to propel your career into the fast-paced world of life sciences strategy consulting?
- The chance to apply the deep content knowledge, critical thinking, and problem solving skills that you've developed in your post-graduate work?
- A career that challenges you to examine and address complex business issues facing leaders in the pharmaceutical and biotech industry?

Apply to PROPEL to experience life sciences strategy consulting with Clarion, a Boston-based strategic consultancy!

Key Dates

- Application Deadline: Sunday, March 29th, 2020 at 11:59PM, ET
- PROPEL Program: Wednesday, June 10th - Friday, June 12th, 2020

Eligibility

- The PROPEL program is open to the following candidates:
 - PhD candidates (*completing program by Spring 2021*)
 - Post-doctoral researchers
 - MD candidates (*completing program by Spring 2021*)
 - MD residents and fellows
- Candidates must have expertise in disciplines related to life sciences, medicine, or other areas of quantitative research
- All costs associated with the PROPEL program will be covered/reimbursed for participants
- Applicants must be able to attend the entire event (program begins Wednesday evening with a welcome dinner)

How to Apply

Clarion is committed to cultivating life science leaders—if you are passionate about life sciences and interested in PROPEL, please submit a cover letter and resume via the application on our website: www.clarionhealthcare.com/propel
